January XX, 2020

To: Paul Koretz, Council District 5 Representative, and Megan Hackney, Bureau of Street Lighting Assistant Director

The Palms Neighborhood Council is extremely interested in participating in the rollout of the Superbloom street lights especially along Venice Blvd through our neighborhood. Most people who visit Palms do so through Venice Blvd. We think Venice Blvd needs sprucing up so we are working on a project to improve the street. What better way to start the improvement than with the City's new street lights?

We understand that the City is not ready yet to install the new street lights. We'd like to participate in the pilot program if there is one. Where we want to start is understanding what we have to do to place Venice Blvd through Palms at or near the head of the list for implementation. Please feel free to us with any actions we can take.

Thank you very much. We are excited.
