PUBLIC INPUT AT NEIGHBORHOOD COUNCIL MEETINGS: Comments from the public on other matters not appearing on the agenda that are within the Board’s jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer.

JOINT MEETINGS: This meeting is noticed as a special meeting of the Palms Neighborhood Council BOARD and the Outreach COMMITTEE, called by the Outreach Committee Chair, because there may be a majority or a majority of a quorum of the Palms Neighborhood Council Board Members present when these matters are considered. Any action taken will only be an action of the individual Committee present and not an action of the Palms Neighborhood Council as a body.

The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of stakeholder volunteers who are devoted to the mission of improving our communities.
