Comments from the public on other matters not appearing on the agenda that are within the Committee's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Committee is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Committee meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer.

(C) The eligible legislative body shall not require public comments to be submitted in advance of the meeting and shall provide an opportunity for the public to address the legislative body and offer comments in real time.

(E) (i) An eligible legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (D), to provide public comment until that timed public comment period has elapsed.

(ii) An eligible legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (D), or otherwise be recognized for the purpose of providing public comment.

(iii) An eligible legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (D), until the timed general public comment period has elapsed.

The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs.
